

Edge Performing Arts - Schedule & Pricing

Edge Performing Arts strives to provide our dancers and their families with choices that fit the individual need of the dancer. Our **versatile** program has been developed by experienced ballet educators and industry professionals to better prepare our students for a future in dance. Whether preparing for a career as a professional ballet dancer, as a path to arts based education, to prepare for professional/industry auditions and work, or to enhance your existing dance training, our exceptional and dynamic staff has the experience to provide our dancers with the best training available, no matter what their future dance goals! Our dancers have danced at many leading dance institutions, including The Juilliard School, Alvin Ailey, Joffrey, American Ballet Theatre, Royal New Zealand Ballet, and The Rock School for Dance Education, just to name a few.

What makes EPA different from other programs? In a word: **diversity**. We believe versatile training is integral for a young dancer’s development. The dance world is changing. For dancers to be successful they must be able to show diversity in their training. EPA dancers receive the highest level of training in classical ballet, as well as contemporary, modern, and leaps and turns. Our dancers stand out on stage and in auditions because of this versatility!

New dancers interested in **Edge Performing Arts** should submit the Enrollment Application with their \$20 audition/placement fee. Returning students re-enrolling for the upcoming season will also need to turn in a NEW Enrollment form and application fee of \$20, as each will re-audition for placement each season. Once accepted via a placement audition in August – and level is assigned - dancers have multiple class and day options to choose from within their specific Level. Below are schedule options and pricing for each. Once notified of their Level, parent/dancer have ten (10) days to return the required paperwork noting their chosen option. Parent/Guardian must either set up a monthly Auto Pay (with a Visa or MasterCard) or can pay for the entire year up front and receive the 10% discount as noted below.

Dancers that enroll at **Edge Performing Arts** will also get access to all Friday EPA Workshops during the season for just \$15 per Workshop – fees for outside dancers will be higher.

Our goal is to provide you with choices! Please visit www.edgeperformingarts.net or email NCedgeperformingarts@gmail.com if you have questions or want additional information!

***PLEASE NOTE: Those choosing Monthly tuition must submit an AUTO PAY FORM with a Visa or MasterCard for the season prior to the first day of class.**
