

## Edge Performing Arts - Options & Pricing

Edge Performing Arts strives to provide our dancers with choices that fit the individual need of the dancer. Our diverse program has been developed by industry professionals to better prepare our students for a future in dance. Whether preparing for a path to arts based education, to audition for professional work, or to enhance their existing dance training, our exceptional and dynamic staff has

the experience to provide our dancers with the best training available, no matter what their future dance goals.

Once accepted - via an audition - dancers/parents have several class and day options to choose from within their specific Level. Below are schedule options and pricing for each specific level. Once notified of acceptance, dancers/parents have ten (10) days to return their enrollment packet with their chosen option noted. Discounts are noted for those paying for the full year in advance.

Our goal is to provide dancers with diversity and choices.
