

Edge Performing Arts - Options & Pricing

Edge Performing Arts strives to provide our dancers with choices that fit the individual need of the dancer. Our diverse program has been developed by industry professionals to better prepare our students for a future in dance. Whether preparing for a path to arts based education, to audition for professional work, or to enhance their existing dance training, our exceptional and dynamic staff has the experience to provide our dancers with the best training available, no matter what their future dance goals.

Once accepted - via a placement audition - dancers/parents have several class options to choose from within their specific Level. Below are schedule options and pricing for each specific level. Once notified of acceptance, dancers/parents have ten (10) days to return their enrollment packet with their chosen option noted. Discounts are noted for those paying for the full year in advance.

****Please note: EPA is meant to be a full program, September through May each season. ****

Dancers may also register for "Drop In Only" classes Wednesdays. You still need to pre-register to be able to access Drop-In classes - available every Wednesday, so you can sign waivers and have access to sign up for Wednesday classes on a per class basis. Please email for how to register for Drop-In Only classes. **Signing up for the monthly Wednesday classes gives the dancer automatic access to all Wednesday Guest Artist classes at no additional charge.**

Our goal is to provide dancers with diversity and choices. Please let us know if you have questions!
